Aurora Desk — Certified Compliant Campaign Draft

Compliant Fixture — Intended to test 100% compliant pass with zero blocking violations

Meet Aurora Desk: The modern team workspace designed for seamless project coordination and structured team collaboration.

Sign in to your team workspace today. In internal usability evaluations, 24 participants completed the initial onboarding walkthrough in under 10 minutes (UX-24 report).

The standard plan costs $12 per user per month when billed monthly. Experience transparent pricing with verified infrastructure.

Aurora Labs currently has 18 team members dedicated to high-reliability software. Explore our documentation and customer onboarding guide to get started.

Expected System Behavior on /review:
• Correct product name: 'Aurora Desk' used consistently.
• Approved terminology: 'team workspace' (no 'collaboration hub'), 'sign in' (no 'login' as a verb).
• Compliant claims: $12/user/month billing matches FACT-002.
• Contextualized test claim: 24 participants onboarding under 10 minutes matches FACT-003.
• Employee count: 18 employees matches FACT-005.
• Prohibited superlatives avoided: Zero instances of 'revolutionary', 'perfect', or '100% uptime guaranteed'.
• Verdict: **PASSED / COMPLIANT (0 Blocking Flags)**.
